October 19, 2011 (FPRC) -- The Final Approach Restaurant at the Sheboygan County Memorial Airport, known for their amazing food and dining experience, has come together with J&G Productions, to bring to you a new dinner theatre experience. J&G Productions in Sheboygan, is led by Ralph Maffongelli, former Artistic Director at the Sheboygan Theatre Company and includes many talented and well-known performers in the area.

In an interview with Ralph he stated, "Our first production will be on December 1st through the 4th and will feature an amazing new comedy by Sapperstein & Murway, called Regal's Last Resort. It's about a greedy town council and what goes on when a wealthy town founder passes and leaves his estate to the town itself," he shared. "You'll see many familiar faces on stage including Tamara Richelle Pool, Tyrone Wesley, Robert J. Scheibl, Samantha Lin Pool, Chris Fontaine, Eileen McCormick Kelm, Michael A. Eberhardy and Kevin Horne," Ralph concluded.

This is only the beginning of an aggressive calendar of theatrical entertainment, planned for Sheboygan and surrounding area residents for the 2012 season. "If you love theatre, love great food and live in the area, you really ought to head on over and see what we have planned for you," states Tracy Byrne, J&G Unlimited's VP, COO.
