October 20, 2011 (FPRC) -- Merrick, New York. Creations by Leslie, a leading online retailer of customizable wedding, baby shower, party and Christmas invitations, theme stationary, tableware and party favors, is proud to announce the release of a full line of Doc Milo invitations for the upcoming holiday season. These stunning and stylish invitations are perfect for just about any holiday get together, and are sure to stand out from the other 'run of the mill' invitations that you see this time of year.

'As much as you may pretend that you don't care, the truth is that you want your holiday get together to stand out from the rest,' says Leslie Barlow, founder of Creations by Leslie. 'While you can talk a big game about your party, the best way to make sure that people keep talking about it is to offer them something that really blows them away. One of the best ways to get started on putting together a spectacular party is to send out some equally spectacular invitations. Lucky for you Creations by Leslie offers you a full line of Doc Milo invitations. These invitations are the talk of the industry mixing a 'Mad Men' attitude with an equal dose of the holiday spirit. You'll marvel at the stylish illustrations that adorn the invitations, as well as the 'non-traditional' colors that help to evoke a party feel. And of course, like all invitations we offer at Creations by Leslie, you can customize the text of the Doc Milo invitations to your exact specifications.'

Creations by Leslie offers dozens of Doc Milo cards for the upcoming holiday season. For over a decade Doc Milo cards have been the most stylish way to invite people to your party, whether it's a small get-together at your home, or a large soiree at a trendy restaurant. Creations by Leslie customers can choose to either order blank card stock for home printing, or have the invitations custom printed to your specifications in shop. Creations by Leslie allows customers to enter their personalized invitation wording online where it will be placed on the invitation by an expert typesetter. A proof will be sent directly to their e-mail on the next business day giving them a chance to preview and make changes to their customized invitations. Nothing will be printed and customers will not be charged until the proof is approved. More information can be found on the process at www.creationsbyleslie.com/faqs.html.
