

Kidi Care World Has Changed It's Company Name to Baby and Nursery Store; Re-launches Baby and Nursery Store

We are a UK based company, Mainly for uk transactions, we will ship internationally if the shipping quote is agreed and feasible for/by the customer. Baby and nursery store website is very user friendly, and payments are secure baby and nursery store is a new Business dealing in Electric and Pedal operated Ride on toys, Outdoor activities equipment, Nursery and Baby Products such as Buggies, Strollers, Prams, Car seats, and much more.

November 1, 2011 (FPRC) -- An excellent example of a shopping medium is the Baby and Nursery Store. It features a well stocked baby & Nursery section that showcases strollers in the latest fashion colors, high chairs and also cots and foam mattresses. Rocking ponies rub elbows with junior slides and wireless camera monitors. In short, anything and everything that your child would desire inside a well-stocked baby & nursery is yours for the purchasing. We only deal with top brands and all products are new.

Even though the site itself is situated in the U.K., customers have the opportunity to purchase from around the world providing they ask for a shipping quote before making a purchase.

We do offer free shipping on occasions to the uk, depending on the sale at the time.

We utilise the use of the industry standard online security, we do not store any card numbers on our database. You may pay with your Paypal account or Skrill (moneybookers) to use your credit/debit card using those payment processors, you do not have to have an account with those payment processors to use your cards, and you can complete the payment and you will be redirected back to our home page. We only use your name and address and postcode to fulfill your order for dispatch.

Isn't it time that you checked out the various kinds of baby & nursery products at Baby and Nursery Store that is available for purchase?

Who knows, you might spot a hard to find item you wished for months to lay your hands on – only to have it waiting for you right now (at a great deal).
