

Gregory Miller, DDS, FAGD Announces Launch of New Website

New website gives both current and potential patients better access to North Mankato practice

North Mankato, Minn. (FPRC) November 14, 2011 -- Gregory Miller, DDS, FAGD, a premier North Mankato dentist specializing in family dentistry, veneers, crowns and cosmetic procedures, is proud to announce the release of a new website, gregmillerdds.com. This easy to navigate website will give customers even better access to the services that Dr. Miller offers his patients, as well as useful insight into what it takes to keep teeth healthy on a daily basis.

Besides giving current patients direct access to Dr. Miller's practice via an online question and answer service, the new gregmillerdds.com website will help potential patients get the information that they need to choose whether Dr. Miller is right for their personal or family dentistry needs. Whether or not they choose to ultimately become patients of Dr. Miller, the website will give them insight into the right ways to pick a dentist, as well as what they need to be on the lookout for to keep their teeth healthy, from childhood through the golden years. From the right ways to fight gum disease to the need to quickly fill cavities or getting crowns, you can find the compressive information that you need at gregmillerdds.com or tmjclinicmankato.com.

In addition to the previous services listed, Greg Miller, DDS, FAGD, also specializes in Temporomandibular Joint Disorder, or, TMJ. Dr. Miller's Southern Minnesota TMJ Clinic can be found here, tmjclinicmankato.com. This portion of the site has valuable information on the causes, diagnosis, FAQ's, symptoms, and treatments for TMJ.

On the new site information about popular corrective treatments can be found. The new gregmillerdds.com gives customers a variety of informative pages to peruse when considering cosmetic options, including simple questions they need to ask themselves if they are considering improving their smile. In the cosmetic realm, Dr. Miller offers everything from simple teeth whitening to veneers and implants.

A Mankato native, Gregory Miller, DDS has decades of experience in the dentistry field. A past president and member of the Minnesota Academy for Gnathological Research, Dr. Miller is also a member of the Southern District Dental Society and has studied extensively at the Pankey Institute for Advanced Dental Education. In addition, he has earned the distinction of Fellow of The Academy of General Dentistry by completing over 500 hours of post-graduate study.

Dr. Miller currently lives in the North Mankato area with his wife Kay, and their four children, ranging from ages 15 to 21.
