

## **Seattle Massage School S.W.M.I. Releases Google Knol**

*Seattle massage school Still Waters Massage Institute released a new Google Knol this month, highlighting key considerations when selecting a Seattle massage school!*

November 22, 2011 (FPRC) -- Released earlier this month, Seattle massage school S.W.M.I. published a Google knol, focused on providing prospective students and community members with three key elements of making the best decision when deciding where to attend Seattle massage school.

Three Elements of Making the Best Seattle Massage School Decision.

Covered in the Knol are these three elements:

1. Location of the Seattle massage school
2. Questions to ask each Seattle massage school
3. Comparing each Seattle massage school equally

This Google Knol is a must-read for any prospective student considering a Seattle massage school!

The contents of the Know include:

Seattle Massage School Selection

Covers the topic

Keywords

Discusses key elements

Learning Outcomes

What the reader should expect

Introduction to Seattle Massage School Selection

Great introduction prepares the reader

What you will need

very simple requirements to successfully complete the learning

Session - (Seattle Massage School Selection)

This is the "meat"

Resources

Additional follow-up, learning aids, etc.

About the author

a brief bio of the author.

The value of this page is that it guides a prospective student through the process of researching and selecting the best Seattle massage school for their needs. This can save substantial time and money in the long-run.

The page also contains several links for additional information, a video providing an example of a search using Google to uncover additional Seattle massage school locations the student may not have considered, plus a spreadsheet that will help students narrow down their Seattle massage school locations.

All in all a great resource for prospective students!
