

Man Has Chance Encounter with a Giant, a Child of a Fallen Angel

Man has a chance encounter with a Giant ! Giants are alive today! Giants are Nephilim children of Fallen Angels, says' eye witness.

November 25, 2011 (FPRC) -- Franklin, North Carolina, United States. One of the most fascinating and strategic topics in ancient texts is the record of fallen angels, giants, and UFO s. Fallen angels and giants are shrouded in mystery and belong to the age of pyramids and other great wonders of the world. It is an epoch that was destroyed by God s judgment, a flood, which left the world everlastingly changed, the evidence of which is found in the tales, folklore, and traditions of many cultures around the world.

The ancient books, Enoch and Jubilees, tell us of a race of Nephilim, which are hybrids, alive in history and today, fathered by fallen angels. Strange as this may seem, the Lord declares that this conspiracy of evil is to be repeated before His return. Consequently, it is important from the standpoint of both understanding history and understanding the future that we understand these events.

CK Quarterman in his new book, *Fallen Angels: Giants, UFO Encounters And The New World Order* describes his close encounter with a Giant. He says, "What had moments earlier been merely theology and a belief became vividly real as I stood staring at a creature that easily could tear me limb from limb". He describes the creature as, "It was about six feet tall and had a face resembling that of a dog".

CK Quarterman warns in his new book, "The world is in a slumber, asleep with the dream of a better tomorrow. While dark forces of fallen angels are arrayed against us, many today write about the approaching juggernaut of the apocalypse and well they should! Few, however, know or understand that fallen angels have brought us to this apocalypse, this apex of human history. The end of the world as we know it is about to take place. A storm is gathering, so terrible as to cause men's hearts to fail them for fear; we must not approach this coming apocalypse unaware and unarmed".

The book will be published by Ambassador International, and can be purchased on Amazon. Its ISBN is 978-1935507895.
