*Stowford South Wales are proud to announce they will be supplying the brand new Bailey Approach motorhome.*

November 30, 2011 (FPRC) -- Stowford South Wales are proud to announce they will be supplying the brand new Bailey Approach motorhome.

Bailey Caravans have been developed using over sixty years of experience in caravan design and are manufactured in a state-of-the-art production facility to provide the very best in touring home quality and value. The company will now look to bring this same level of expertise to the Motorhome market with the introduction of the new Approach SE range.

Driver and passenger comfort are both high on the agenda in the new Approach range as well as performance and economy thanks to the Peugeot 2.2 Hdi 130 bhp engine complete with a 6-speed manual gearbox. To further aid comfort economy, the Approach SE incorporates the Alu-Tech construction system keeping you warm in winter and cool in summer.

Stowford South Wales branch are also offering customers the chance test drive the Bailey Motorhome. Simply fill out the form on their Stowford motorhome homepage and a member of the Stowford team will contact you to arrange a date and time.

Already Devon's leading touring caravan and motorhome site and caravan retail outlet Stowford Farm Meadows has recently opened a new caravan centre and accessory shop in South Wales offering their usual quality service and great caravan and motorhome deals. As the only caravan dealer in North Devon; Stowford are open all year round and always have a large selection of both new and used stock on display. They also have an awning display area and a caravan accessory shop, all on site for you to browse at your leisure.
