

## Square to Open Technology Concession in Harvey Nichols

*Square Group Ltd, the highly successful Apple reseller is announcing the launch of their new concession within Harvey Nichols in London's Knightsbridge.*

December 5, 2011 (FPRC) -- Square, recently awarded the coveted Apple Reseller Of The Year 2011 award by MacUser Magazine will be opening a concession on the 3rd floor. Offering a range of Apple products including MacBook Air, iPad and iPod plus a wide range of complementary third party accessories. Experts will be on hand to offer help and advice, whether it's finding the right Mac for you or choosing a gift for someone special.

Harvey Nichol's flagship store opened in its present form on the corner of Knightsbridge and Sloane Street in the 1880s. There are a total of eight floors of fashion, beauty and lifestyle collections with the Fifth floor dedicated to Food and Restaurants.

Darren King, owner of Square Group comments "We are very pleased to partner with the prestigious Harvey Nichols department store. We believe our Apple focused product range will be the perfect fit for their clientele looking for stylish technology products."

Also, our trained and experienced staff are happy to provide information and advice on the full range of Apple products. Whether you need a computer for your own leisure, family, at home or work, you are guaranteed help and advice to make the right choice. Advanced customers can also benefit from specialist expertise and training in music, photography, video and publishing.

Square are an authorised Apple Care service centre providing full Mac support and Apple repair services. Our technicians provide certified Apple Mac service including MacBook support and all other Apple laptop and desktop repairs. Just drop your machine off at our London store or call us for more information.

Showcasing the full Apple product line in a customer-friendly environment, Square at Harvey Nichols provides outstanding customer value and service. Whether you are a consumer or professional customer, you will enjoy friendly knowledgeable advice and support.
