

## **Discount Retailer of Cutting and Drafting Supplies Offers Free Shipping**

*All Brookside Design products for storage and organization are shipped for free via UPS ground*

January 18, 2012 (FPRC) -- Mt. Juliet, Tennessee, United States. Cutting-Mats.net, a leading online retailer of discount cutting mats, cutting tools, drafting supplies, drafting equipment, drawing supplies, scrapbooking supplies, craft supplies, drawing art supplies, and more, is offering free shipping on all Brookside Design products to the lower 48 states. Brookside Design products manufacture many different storage options for storing blueprints and design plans with all the accessories necessary to make them work in any office space.

Brookside Design products offer many choices for storage of blueprints and plans. Blueprint stands are available as mobile storage stands, rolling storage racks, file storage and hanging racks. Because cutting-mats.net offers a wide range of models of blue print stands with accessory options for hanging there is going to be a model which will fit into the space allowed. With the variety of blue print stands available, organization of workspace becomes simple with a blueprint stand. For ease of transportation within the office and outside the office of blue prints the mobile storage options available from Cutting-mats.net are many. Mobile upright wire roll files and rolled document storage containers allow for portability and transportation of blue prints while protecting them at the same time. Cutting-mats.net also has document shipping tubes available.

Cutting-Mats.net features the newest in discount cutting mats, cutting tools, drafting supplies, measuring tools, drafting equipment, drawing supplies, scrapbooking supplies, craft supplies, art supplies, and more. The online retailer allows customers to skip browsing local craft stores by offering everything needed for projects from the comfort of the home computer. In addition to the newest options in the craft industry, Cutting-Mats.net also offers dozens of clearance, overstock and closeout specials which can save up to 50% on brand new products that feature full warranties. A favorite of Fortune 500 companies, as well as everyday craftsmen and designers, customers can find a full listing of products at <http://www.cutting-mats.net/>.
