

Lake District Hotel 11th Anniversary Refurbishment Well Underway

The Inn on the Lake is celebrating 2012 in style with a complete ground floor refurbishment set to be complete by the end of February 2012.

February 3, 2012 (FPRC) -- The Lake District hotel, in Glenridding, Ullswater, was taken on by the Lake District Hotels Ltd group 11 years ago and was previously known as the Ullswater Hotel. After a name change to Inn on the Lake and a large investment in renovating most of the interior, the hotel soon became well known for its great hospitality paired with unrivalled views.

Now 11 years on it is getting a fresh new look, which began with phase 1 being completed in November 2011. The Lake View bar lounge and the Glenridding function room were decorated in luxurious fabrics with a mulberry colour running throughout. By the end of February 2012, the main Lake View restaurant, lake view lounge and reception and lobby will also be complete.

And that's not all the refurbishment work that has already been carried out in 2012. To welcome in the New Year, the Borrowdale Hotel and Skiddaw Hotel are excited to announce 10 new bedrooms have been refurbished.

Lake District Hotels are proud of the fact they consistently invest money into updating and refurbishing their bedrooms, hotel interiors and exteriors. The Inn on the Lake Hotel Ullswater had balconies added to four of its Lake View bedrooms in 2011. The Lake balcony rooms overlook Ullswater giving guests that extra space to their bedroom, and get every opportunity to breathe in the fresh Lake District air. All the balcony rooms have also been refurbished to the Lake District Hotels Ltd usual high standard.

The Kings Arms Hotel Keswick, has also had several of its rooms refurbished in 2011. The comfortable rooms have a cosy feel and mix modern and traditional textures and patterns.
