

New Book Just Released the 9/11 Verses - Terrorist Teachings in the Koran

The Koran contains shocking teachings of hate and violence. Fundamentalist Muslims have obeyed these commands and perpetrated over 11,000 terrorist attacks since 9/11. The 9/11 Verses exposes those inflammatory teachings from the Koran and the Prophet Muhammad, laid out by category in easy to understand chapters. The 9/11 Verses places the reader inside the mind of the terrorist, explaining the true causes of terrorism. The 9/11 Verses presents an in-depth correlation between the scriptures of Islam and the death and destruction the world has suffered at the hands of Muslim Terrorists. Throughout the book comparisons are drawn between Christian and Islamic teachings showing how the beliefs of the two faiths are totally opposite in regards to violence.

November 1, 2008 (FPRC) -- 'When you encounter the infidels (non-Muslims), strike off their heads and make a great slaughter among them.'

The Koran, Chapter 47:4-9

The above Islamic scripture verse from the Koran is just one of the many shocking violent teachings exposed in the just released book *The 9/11 Verses – Terrorist Teachings In the Koran*. Fundamentalist Muslims have obeyed these calls to violence and perpetrated over 11,000 terrorist attacks since 9/11. In August 2008 alone there were 205 separate terror attacks by Muslims in 21 countries worldwide. These attacks caused 1101 deaths and 1811 critical injuries.

The *9/11 Verses* exposes these inflammatory teachings from the Koran and the Prophet Muhammad, laid out by category in easy to understand chapters. The author places the reader inside the mind of the terrorist, explaining the true causes of terrorism. The *9/11 Verses* presents an in-depth correlation between the scriptures of Islam and the death and destruction the world has suffered at the hands of Muslim Terrorists.

ABOUT THE AUTHOR: After the 9/11 Islamic terrorist attacks, Karl J. Trautwein began searching for direct connections between what is written in the Koran and the growing threat of worldwide terrorism. He intensely studied the Islamic faith, the Koran, the Hadith (the sayings and deeds of Muhammad), and the writings of numerous Islamic scholars and commentators. From his extensive research, Mr. Trautwein has delineated the many connections between the words of the holy Islamic texts and world terrorism. The author is a former corporate officer, holds Bachelor of Science and Masters degrees, and currently divides his time between real estate investment and writing.
