

SEO Marketing Announces New Client; Chosen by S & D Spring and Wheel Alignment Co., Inc for Internet Marketing Services

S & D Spring and Wheel Alignment Co., Inc have teamed up with SEO Marketing LLC to boost their online presence and improve their search engine marketing strategy.

September 14, 2009 (FPRC) -- SEO Marketing LLC is pleased to announce that they have been chosen by S & D Spring and Wheel Alignment Co., Inc to provide SEO and Internet marketing services. S & D, which provides truck suspension repair, suspension replacement and spring customization, has an established web site but wants to see their site grow in popularity.

S & D Spring and Wheel Alignment Co., Inc, which is based in New York state, has many years of expertise and knowledge in the commercial truck and independent truck repair industry. This expertise has helped them grow significantly in recent years while allowing them to establish long term relationships with their clients.

The truck spring company, which offers a diverse range of truck products from Sway Bars to Snow Plows and Salt / Sand spreaders, offers a full service shop for the installation and repair of many truck components and related items. This service shop is open to customers throughout the tri-state area. They also supply parts and services to the trucking industry across the United States and Canada.

"We are very excited about starting SEO services. We tried on our own for a while and would like to take it to the next level." said Bryan from S & D Truck Spring when commenting on the choice of SEO Marketing LLC.

SEO Marketing will be providing a range of internet marketing services for S & D Springs to promote both their site and their products. These services will include search engine optimization, email marketing, banner advertising and social media development.
