

New Launch of Car Donation Information Website - DonateCarInfo.com Claims Car Donation is a Win Win Proposition

DonateCarInfo.com is an online information source that was recently launched to provide the internet community with a wealth of information, links to important resources and answers to the most frequently asked questions regarding car donation.

October 14, 2009 (FPRC) -- DonateCarInfo believes in the good sense and altruistic nature of people and knows that if presented with an opportunity to help those in need while also helping themselves people will recognize the Win Win Proposition and will want to explore the possibility of donating their car to charity. DonateCarInfo was designed to help their visitors to make an informed decision regarding the prospect of donating their car to charity. Visitors are encouraged to make what is a very generous decision which is a very practical and affective way to help others in dire need while also reducing their own tax burden.

The information is presented in an interesting way that people will enjoy. DonateCarInfo provides a Charity Information page which is a compilation of online videos for many of the online charities which gives you a taste of the experience and of the affect car donations have on people. There is also a Resource page which links the visitor to a variety of important resources such as the IRS, Charity databases, the Better Business Bureau and more.

DonateCarInfo explains the pros and cons of donating a vehicle and answers important and frequently asked questions regarding Car donation such as: Does it still make sense to donate your car?
