January 20, 2010 (FPRC) -- Heather Dominick, EnergyRICH® Entrepreneur Success and Master Coach will to reveal to you an amazing expert who is ready to share with you the secret key to releasing your natural marketing confidence. On Feb 2nd Heather and Wendy Yellen will share the full ins and outs of how you can use a very special technique to support you in stepping into your full marketing confidence!

Have you ever found yourself saying ... 'I just don't know how to market my business.' OR 'Marketing isn't something I'm good at.' OR 'Marketing isn't natural to me.'

For those of us, like yourself, who are so good at what you do and have such a desire to make a difference for people as the incredible healer, coach and heart-centered entrepreneur that you are it can, well, feel strange to shout out from the roof-tops that you've got something for sale.

It feels funny. Maybe even a little slimy. But here's something important Heather really wants you to hear ...

'You can communicate your message AND feel good about it. Actually – let me be real bold here – I'm going to claim that ability is NATURALLY inside you. Yup. You don't have to learn it. You just need to RELEASE it.' Heather Dominick

Heather and her guest expert Wendy Yellen will share with you on the February 3rd EnergyRICH® Marketing Mastery Free Call

Heather says 'You Will Want to Be On This Call. Wendy is like a wizardress with what she is able to transform for people!'

Heather has an incredible record for success. Just ask her clients:

'EnergyRICH® Coaching has taken me further than ever before! Before EnergyRICH® I was moving along in a 'just okay pace', I knew my current systems did not have all the ingredients to GO BIG. Heather's incredible coaching tips assisted me in obtaining a contract where my company, EarthJoy, will be collaborating with a million dollar company. Heather's energy and strong belief in my ability to GO BIG assisted with securing this contract! She helped me to become clear and realize that an essential part of EarthJoy is standing in my power and allowing my voice to be heard! I know this is just the beginning!' - Shelly, [www.climbtreeswithearthjoy.com](http://www.climbtreeswithearthjoy.com)

Check out The EnergyRICH® Marketing & Mastery call on Wednesday, February 3rd , 7:00. (EDT). Don't worry if you can't make the call, you can still sign-up to receive a free recording, <http://www.on2url.com/app/adtrack.asp?MerchantID=71654&AdID=472790>
