

Broten Garage Door & Gate Nominated To Become WomenCertified Among Elite Women Friendly Businesses

WomenCertified® announced that Broten Garage Door & Gate, a garage door provider and garage door repair specialist in South Florida, has been nominated to receive the WomenCertified Seal of Approval, signifying its commitment to women friendly service.

March 10, 2010 (FPRC) -- WomenCertified® today announced that Broten Garage Door & Gate, located at 886 S. Andrews Avenue, Pompano Beach, has been nominated to receive the WomenCertified Seal of Approval, signifying its commitment to women friendly service.

One of the nominations, submitted by an anonymous client via WomenCertified.com, read as follows: "Dealing with the team at Broten has been wonderful. The owner, Kriste LaMay sets the standard for customer service. I was treated fairly and with an honest approach, it was a great experience."

After receiving multiple customer-generated nominations, Broten Garage Door & Gate passed a rigorous qualification process to become eligible to participate in the WomenCertified program and earn the WomenCertified Seal of Approval, which signifies that a company is trained and held to higher standards of service.

Over the next four weeks, Broten Garage Door & Gate Management and four members of their sales and service team will complete the WomenCertified training and certification program to strengthen the company's commitment to providing better service.

"We are very excited to have been nominated to participate in the WomenCertified Program. Our participation is part of our ongoing commitment to ensuring the best customer experience possible," stated Kriste LaMay, President of Broten Garage Door & Gate.

Once the company completes the certification program, Broten Garage Door & Gate will be listed on the WomenCertified Locator, the online directory where consumers can search for women friendly businesses.

"We are pleased to recognize Broten Garage Door & Gate for its dedication to women friendly service and business practices," said Delia Passi, founder of WomenCertified. "In recognizing their efforts, we hope that other companies will follow suit and increase their commitment to higher standards of service – not only for women, but for all customers."
