

Aaron Hodgdon Named CoStar Power Broker; Hodgdon Group Listed Among Top Leasing Firms

Aaron Hodgdon, president of Hodgdon Group Realty, has been honored for the second consecutive year as CoStar Group's Power Broker in the retail leasing category. His firm, Hodgdon Group Realty, also made the prestigious Power Broker list for Top Leasing Firms in 2010. The Hodgdon Group provides everything from site section, transaction advisory, planning and permitting of tenant improvements, cost estimating and construction services.

May 13, 2011 (FPRC) -- INLAND EMPIRE, CALIF. - Aaron Hodgdon, president of Hodgdon Group Realty, has been named a CoStar Group's (NASDAQ: CSGP) Power Broker for 2010 in the retail leasing category. This is Hodgdon's second consecutive year as a Power Broker in the retail leasing category. His firm, Hodgdon Group Realty, also made the 2010 Power Broker list for Top Leasing Firms.

Hodgdon attributes his success in 2010, one of the most economically challenging years to do business, to not only his comprehensive experience in leasing, development and construction management but also his trusted team and business relationships, which make for an extremely smooth transaction. The Hodgdon Group of Companies provides everything from site section, transaction advisory, planning and permitting of tenant improvements, cost estimating and construction services. His projects range in size from Starbucks to a 1,000,000 sq. ft. manufacturing facilities.

Hodgdon continues a 12-year relationship as the broker and general contractor for Ashley Furniture Industries, Inc. to for retail and industrial projects throughout California. Hodgdon fills a unique role for his clients providing comprehensive real estate services. The Hodgdon team has completed more than 7,000,000 sq. ft. of transactions for many high-profile national firms in Southern California, and expects a strong 2011.

In its ninth year, the CoStar Power Broker Awards recognize brokerage firms and individual brokers who have the highest overall transaction volume in commercial property sales and leases in each market during the previous year.

The Hodgdon Group is a full-service real estate brokerage, development, project management company for all of types of real estate projects; and has constructed a variety of buildings through its general contracting division, Hodgdon-Miank Construction.
