November 22, 2011 (FPRC) -- With the Black Friday rolling in, it's time for all retailers for a huge promotional sale. OrientalPearls.net is no exception. It has announced that some of their most popular items will be discounted at an additional 30 to 50% off. To celebrate the starting of the holiday, the wholesale freshwater pearls and pearl jewelry site will start its Black Friday on Thanks Giving day and allowing customers get a head start to purchase these 'top edition' pieces at a discounted rate earlier.

'These are not only the pearl jewelry pieces that our customers like best, but also in different colors that range from traditional black and white pearls to unusual Christmas red, green colored pearls along with popular chocolate pearls.' Says Lan Toma, spokesperson for OrientalPearls.net. 'during this economic downturn, there are a lot of companies bigger than us went out of business, the only reason we are prospering is because our customers are supporting us by coming back again and again, we are very thankful and would like to use the opportunity of Black Friday sale to reward their loyalty. By holding this Black Friday sale, they can get their hands on some of our most popular designs, with unbelievable prices and values.'

The items available include 925 sterling silver round pearls clustered earrings for less than \$10, to a 64in long clasless 7-8mm baroque pearl necklace for less than \$25. The best deal is a pair of pearl earrings made of rare keshi pearls that is set in 925 sterling silver, with 5 different colors, for less than \$15. The price for such a pair of earrings could be \$100 and more at a regular store, as some of their wholesale customers are selling at their boutique shops.

'These pearl jewelry will be perfect gifts for the holidays, with very high perceived values because they are made of real pearls and in pure 925 sterling silver, but also because their beautiful newly added pearl colors to match your Christmas outfit in red and green,' says Ms. Toma, 'The deep cranberry, and dark or light green or gold pearl bracelets are very popular selling items due to its flexible length so that you can give them to any sized ladies without worrying about if they would fit or not, and they came at a crazy Black Friday sale price of less than \$6.'

Besides finished pearl jewelry with popular items such as pearl earrings, pearl bracelets, pearl necklaces and pearl pendants are featured at up to half off ordinary retail, also available are huge sized oval shaped pearl strands, along with pearl findings such as magnetic clasps and two row clasps at additional discount for people who make their own jewelry, as well as 8mm Round Opal Glass Beads on Temporary Strands.

'We always try our best to have something for everyone,' comments Toma, 'and this Black Friday sale is no exception. The economy is still dragging, and our customers are still afraid of spending a lot of money. We need to prices them not only right for their budgets, but also provide them with exceptional value that they will not find anywhere else, which is why we are also providing free shipping for \$50 purchase in the USA and a free gift with most purchases.'

As with most of Black Friday sale, supplies may be limited on certain pearl jewelry items, Toma reminds, especially for certain popular colored items, so customers are encouraged to place orders soon before the sale starts pm ThanksGiving day to ensure they get the best selections.
