

## **FunkyChunky Releases New Flavor – Sea Salt Caramel Popcorn**

*The all natural new flavor is handcrafted with the amazing combination of caramel corn, cashews, fresh caramel drizzle, chocolate and sea salt.*

February 9, 2012 (FPRC) -FunkyChunky®, Inc., launched a new addition to the family of FunkyChunky products – FunkyChunky Sea Salt Caramel Popcorn at the NASFT 2012 Winter Fancy Food Show.

Sea Salt Caramel Popcorn is an on trend combination of sweet and salty and is made with all natural ingredients. The combination starts with FunkyChunky's signature caramel corn and then tossed with salted chopped cashews, drizzled with rich caramel and a signature melt-in-your-mouth combination of dark and milk chocolates.

“Caramel and sea salt continues to be a strong trend in the snacking industry”, says Ronni Feuer, founder of FunkyChunky, Inc. “Consumers love the sweet and salty combination of caramel and sea salt – we tested this product during the holiday season with our corporate clients and the flavor was a huge success”.

The new flavor combination, Sea Salt Caramel Popcorn, is hand-crafted in small, made-to-order batches and packaged in clear canisters to display the combination of ingredients. Sea Salt Caramel Popcorn is OU Dairy certified kosher and comes in 8oz and 20oz canisters. Retail prices are \$12.50 and \$21.00 consecutively.
