

Frankel Photography's Big Summer Sale Running Through September 15

Frankel Photography, San Marcos, California's top photography studio, is running a big summer sale until Sept. 15 on all wedding and Bar Mitzvah packages.

August 2, 2013 (FPRC) -- San Marcos, California, Frankel Photography, located in San Marcos, California, is having a huge summer sale, offering discounts of 10% off this San Marcos Photography special events photography company's wedding and Bar Mitzvah packages. The sale, which will run through September 15, said owner and lead photographer Albert Frankel, aims to make special event packages affordable for families as they plan their weddings and Bar Mitzvah's for the summer season.

"We are happy to offer this discount on our top quality photography services for the summer months," said Frankel. "We know that these events can be very costly for a family so we'd like to make it a little easier for them use our professional photography services for their wedding or Bar Mitzvah."

Frankel also has enough experience in the photography business to know that using the most advanced equipment and lighting is the only way to deliver the very best photographic images to his clients. Recently, Frankel Photography starting using state of the art LED lighting in addition to traditional lighting methods when working on a photo shoot.

"LED lighting give us much greater ability to create images that are guaranteed to amaze," said Frankel.

Frankel has been in the photography business for over 30 years so he knows that customer service and professionalism go hand-in-hand with delivery of fine-quality family and special occasion photography.

As lead photographer at Frankel Photography, Al Frankel brings an extensive portfolio of knowledge and experience to every event he covers. His uncanny camera sense and ability to capture the moment is evidenced in the warmth and style of his work.

Heather Frankel is also a big part of the team, specializing in digital image processing and album design, her skills are essential in turning photographs into treasured memories.

About Frankel Photography: Frankel Photography is located in San Marcos, California, just outside the city of San Diego. The company brings more than 27 years of experience to the table as professional photographers, specializing in wedding photography, Bar and Bat Mitzvah photography, special event photography, pet photography and portrait photography.
