

Pattaya Real Estate Agents Take Advantage Of Affordable Online Marketing Lead Generating Packages

A new local marketing package service for Pattaya Real Estate Companies

April 18, 2015 (FPRC) -- Online Marketer Anthony Hayes of KISS Internet Marketing , an established leader in SEO Search Engine Optimization , announces the launch of a new local marketing package service for Pattaya Real Estate Companies. According to Anthony “the affordable online marketing lead generation packages for Pattaya Real Estate Agents will be available for purchase beginning the last weeks of April 2015.”

Anthony says, “What we are offering is a done for you service which will generate leads on demand and there is no better way than using premium press releases to drive highly targeted traffic, in high volume at low cost. So the first part of this package is a done for you premium press release that will create a huge buzz in the Pattaya area.”

Anthony continued, “Second we will create a business marketing video. Whiteboard videos are engaging and just about every business owner has seen them and would love one! All that needs to be done to do is fill in the simple form and submit some details and we will do the rest with a professionally done explainer whiteboard video your customer will Love”

Explaining how leads will be generated Anthony added, “third we will create a landing page on Facebook. You can drive traffic with the press release and the whiteboard explainer is video carrying the marketing message, all that is needed is a lead page to gather leads This is created in facebook to allow for easy audience growth, low cost traffic options which you can take advantage of or we can even do that for you as well.”
