

Pink Towing and Los Angeles Towing Launch Satisfaction Guarantees On Full Spectrum Towing And Roadside Assistance Services

Pink Towing and Los Angeles Towing have created satisfaction guarantees for all their call out services including towing and road side assistance on any vehicle, including classic cars, sports cars, trucks, and more.

Pink Towing and Los Angeles Towing have created satisfaction guarantees for all their call out services including towing and road side assistance on any vehicle, including classic cars, sports cars, trucks, and more. Santa Monica, California, United States of America - October 29, 2015 /MarketersMedia/ -- When stranded at the side of the road, or even at home when a car won't start, individuals need to get back on the road as quickly as possible. As such, they need an expert towing company who can offer roadside assistance no matter what day or time it is, and they want the kind of service that will relieve their stress and restore control to their day. Pink Towing works hard to offer the ultimate customer experience in towing in Los Angeles, they have now launched a satisfaction guarantee.

The guarantee means that if individuals are unsatisfied with any element of their service, Pink Towing will make it right or offer their money back on the services rendered. They can be so confident because they strategically place their towing vehicles throughout the city, equipping them for any occasion, staffing them with experienced and highly skilled technicians who value their customers' time.

The tow truck service is not the only one backed by the guarantee, which also includes roadside assistance, capable of replacing punctured tires, filling the gas tank, starting a dead battery and more.

A spokesperson for Pink Towing explained, "We are pleased to be able to offer a satisfaction guarantee on all Pink Towing services, and that means we will do whatever it takes to ensure a swift, affordable and efficient solution to the problems our customers have, whenever they have them. The guarantee is there as a promise to our customers but is something we hope to never have to enforce. We aim to exceed, not just meet, our customers' expectations, so the satisfaction guarantee is there as a back up to give people ultimate peace of mind when choosing their towing service."
