

New Chocolate-free Advent Calendars, the Zero Carb Option for the Photo Enthusiast.

NEW: The photo memory Advent calendar: A positive surprise every day of Advent, with no sugar and no artificial sweeteners.

November 12, 2015 (FPRC) -- Cambridge photo printing specialist FotoInsight is now launching a new, bespoke Advent calendar, where personnel memories, preserved in pictures, replace calorie bombs behind the traditional 24 little doors. Providing selected, positive memories, the new photo Advent calendar offers a unique alternative to off-the-shelf, cheap-chocolate calendars.

Health threat of sugar is vastly underestimated

That is what US researchers say in a study, published in the journal "Obesity". The lead author Prof. Robert Lustig, a paediatric endocrinologist says that this is evidence that "a calorie is not a calorie".

The new, no-calorie Advent calendar

FotoInsight MD Klaas Brümmer counters: "At FotoInsight we are proud to offer alternative, calorie free, gift options. Our new photo Advent calendar is the sweetest treat you can give, without sugar or sweeteners. It is the zero-carb present from the photo enthusiast."

Artificial sweeteners are fattening over time

Artificial sweeteners, even though they do not contain sugar, nonetheless have a direct effect on the body's ability to utilize glucose. Glucose intolerance ... is the first step on the path to metabolic syndrome and adult-onset diabetes. [Source: Better Health Post]
