

Design Holidays Expands Accommodation Options To Include Villas With Private Pools

Design Holidays has just expanded its repertoire of luxury accommodation to include private villas with their own pools, to help people enjoy the Algarve with a new level of style.

San Francisco, CA -- February 12, 2016 (FPRC) -- The Algarve is one of Portugal's crown jewels, and is renowned throughout the world for being one of the most beautiful spots for a luxury holiday. The destination regularly attracts celebrities and famous sportspeople, as well as luminaries in the world of business. As such, holidays there are much sought after and often punishingly expensive. Design Holidays is an Algarve holiday agency that offers complete, flexible and bespoke packages tailored to the needs of every traveller. They have just expanded their accommodation options to include a new level of luxury: villas with private pools.

The new accommodation options enable people travelling to the Algarve for Pine Cliffs Resort to eschew hotels in favour of a self-catered option that enables them to live the high life with all the conveniences of a home, plus a private pool to relax in.

The private villas are an alternative to the five star Pine Cliffs Resort Hotel, Golf Suites by the course, townhouses and residential apartments already on offer, and provide a unique opportunity for people to experience an authentic life in the Algarve for the duration of their stay.

A spokesperson for Design Holidays explained, "We are pleased to be able to introduce the new villas and we cannot wait to see clients choose them for a more private, intimate experience. The villas are perfect for honeymoons or longer stays, and are ideally situated close to the beaches, cliffs, golf courses and nightlife that make the Algarve unmissable. Pine Cliffs is one of the premier spots to enjoy this stunning coastline, and the villas themselves are in the heart of the Pine Cliffs resort, meaning individuals will get the best of all worlds by booking their holiday in one of these homely and beautifully finished properties."
