

Big Bounce Fun House Rentals Unveils Themed Prom And Graduation Party Ideas

Big Bounce Fun House encourages early planning to ensure available dates for post-prom and graduation reports BigBounceFunHouseRentals.com

Indianapolis, IN -- February 16, 2016 (FPRC) -- In 2015, the National Retail Federation reported that Americans spent \$4.7 billion during graduation season. According to reports from Fortune Magazine, those same families spend upwards of \$900 on prom festivities as well.

With an eye toward these findings, Indiana-based Big Bounce Fun House Rentals is encouraging families to plan now for post-prom and graduation parties. With new-high attraction items coming into the warehouse regularly, the company wants to help families get more for their money and celebrate their child's accomplishments in the most fun way possible.

Susan Lorimer, a member of the Big Bounce Fun House Rentals team, said "With all of the academic requirements in addition to event planning and gift-buying, closing out the school year during prom and graduation season can be quite hectic for families. Fortunately, Big Bounce Fun House Rentals provides the perfect solution for them during this time of year. We have post-prom and graduation packages that offer great themes like blacklight parties with strobe lights, fog machines, neon dodge balls, and even glow-in-the-dark face and body paint. Parents may also be interested a full-on personalized game show party with one of our exciting hosts."

Lorimer continues to explain, "For something fun to celebrate the end of the school year, we also have many 'Things With Wheels' attractions. Graduates can celebrate their new-found freedom with segways or a high-energy bumper car arena. Those families who want to do something a little more relaxing or low-key may find our Fun Flicks Inflatable Screens suitable for a movie party. Many of our clients love creating a movie theater experience with the concessions we offer like cotton candy and sno cones."

"The best thing about our post-prom and graduation offerings is that those who use our services can rest assured that we'll take care of everything from setup to breakdown. We'll make sure that the only finger the client has to lift to put on the prom or graduation party of their dreams is the one needed to make the phone call to our warehouse."
