

Smythe Jewellery Launches Gold Heart Necklace With 25% Discount For Club Members

Smythe Jewellery have brought a beautiful gold heart necklace to market, and their club members will secure a 25% discount on the item, shipping worldwide from today.

London, UK -- February 19, 2016 (FPRC) -- Jewellery is not only a beautiful adornment for individuals, or the perfect accessory for an outfit. Jewellery is made from precious metals that retain their value and even appreciate over time, so they will always be a sound investment. The Smythe Jewellery Club is a new initiative that allows individuals to sign up as members for free, then receive exclusive products at amazing discounts, set at a minimum of 25%, ensuring individuals get the best deal available online on classic jewellery.

The new gold necklace is beautifully crafted and inlaid with dazzling crystals that give the gold a new level of lustre. The item is designed to be light and delicate while significant enough to catch the eye, as a wonderful accent to any outfit. The piece makes an ideal gift, and thanks to its high carat gold, is a sound investment too.

The gold heart necklace from Smythe Jewellery is just the latest in a broad range of necklaces to be offered, and all with a hefty price cut, enabling individuals to save on these amazing pieces, or even buy more jewellery for the same price. This, coupled with more exclusive special offers, competitions and detailed market reports, helps buyers get the best from every purchase.

A spokesperson for Smythe Jewellery explained, "Offering amazing jewellery isn't enough in the 21st century- it has to be coupled with amazing service, global shipping reach, and great prices. We have done our utmost to add value to our service while slashing prices, and the result is one of most comprehensive online member's clubs of its kind. This is hugely exciting for us, and this stunning gold necklace is just one of a treasure trove of beautiful pieces we are able to promote to our members exclusively, so they can benefit from amazing savings."
