

Smythe Jewellery To Introduce A Range of Cross Necklaces For Women

Smythe Jewellery will offer elegant, delicate cross necklaces of fine silver and gold for women, with a minimum 25% reduction in price from the RRP.

London, UK -- March 1, 2016 (FPRC) -- The cross has been worn by Christians since the religion's earliest days, and the cross has been adorned with jewels and cast into gold in order to elevate its value to match its significance. Many of these crosses are worn to this day, and make a beautiful accessory as well as a statement. Smythe Jewellery (www.smythejewellery.com) has been expanding its range of jewellery constantly since even before its official launch, and has now added a range of cross necklaces for women that promise something for everyone.
