

The Holdy Realty Team Lists New Home for Sale in the Pines Development in Jensen Beach, Florida

The Holdy Realty Team has a stunning example of the incredibly popular 'Osprey' model home available for purchase in the Pines Development in Jensen Beach, move in ready at a great price.

Jensen Beach, FL -- March 2, 2016 (FPRC) -- Homes are in high demand in Jensen Beach, Florida, one of the most beautiful places to live in the whole United States. As such, when a premium property comes on to the market individuals want to be the first to know about it. The Holdy Realty Team at Real Estate of Florida specializes in servicing the Florida real estate market, and has just listed a prime Osprey model home in The Pines of Jensen Beach. They have created a video tour of the space for people to view the stunning property from the comfort of their own home.

The Pines of Jensen Beach Video enables individuals to see the split-bedroom open floor plan design, which offers formal & informal dining areas with separate living and family rooms, with tile throughout the living areas and crown molding throughout the entire home.

The kitchen features Corian counter tops, stainless steel appliances and lots of cabinets for storage. The spacious master suite boasts decorative moldings and two walk-in closets, while the master bath includes double sinks, soaking tub and a separate walk-in shower. The covered patio and solar heated, screened in pool has three separate sliding doors for convenient access, promising outdoor living at its finest.

The spacious four bedroom, three bathroom pool home is located on a cul-de-sac with private preserve views in the very desirable Pines Community in Jensen Beach.

A spokesperson for Holdy Realty Team explained, "All this is just minutes from the beach, shopping centers, and is right in the middle of the Treasure Coast. The virtual tour will enable people to live the experience of being in the home, and get an accurate impression of the space without having to arrange a viewing. Homes like these sell fast, so we encourage all interested parties to get in touch immediately if they wish to view the property in person."
