

Construction & Design Inc. will serve as 2016 Corporate Sponsor for John Palmer Art

Palmer always seeks and obtains the support of a Corporate Sponsor for his cutting-edge art business. This year, state-of-the-art building company Construction & Design Inc. will serve as Palmer's Houston Art Gallery's Corporate Sponsor.

March 16, 2016 (FPRC) -- Construction & Design Inc., a full-service residential and commercial construction company of Houston, Texas, has partnered with Artist John Ross Palmer to become his Heights Art Gallery's Corporate Sponsor for 2016. The mutually beneficial partnership is the fourth for Palmer and the first for Construction & Design. For Palmer, having his gallery supported by a company that delivers state-of-the-art design services adds tremendous clout to his flourishing career.

"I have known John Palmer personally for over 30 years. I was honored to serve as the Builder for his 2008 Art Gallery construction and The Chrysalis addition in 2014," says Owner, Terri Robinson. "Signing on as his 2016 Corporate Sponsor was a fantastic opportunity. Our industries go hand-in-hand, and, I'm truly inspired to help underwrite his artist journey and evolution." Palmer explains, "I never expected my friendship with Terri to expand into booming business...but thank goodness it did. Her company's construction of my Art Gallery and The Chrysalis made it one of the most unique and exquisite art complexes in the Southwest. I cannot wait to promote her business and innovative skill set in 2016." Robinson, a native Houstonian just like Palmer, is inspired by the Artist's 2016 Charity of the Year, "It's extremely fitting to sponsor John Palmer Art during this year when he's supporting Houston Habitat for Humanity. I'm thrilled we're all working to build a better community."

Construction & Design Inc. was established in 2005. At the encouragement of customers and subcontractors, the community needed a company to streamline and coordinate all facets of the construction process. With C & D Inc., you have one contact. Robinson personally oversees all subcontractors to guarantee quality and efficiency. Just like Palmer, Terri Robinson's business is driven by top-notch customer service.
