

Best Buffalo Movers launches new website

Best Buffalo Movers has a new and improved online presence. The Western New York moving company recently launched a new website that will help it better serve customers and showcase its many moving and storage services.

November 23, 2016 (FPRC) -- Best Buffalo Movers, Western New York's top local and long distance moving company, recently launched its new website at www.bestbuffalomovers.com.

The website redesign features a vibrant layout that is easy for visitors to navigate and find important information on Best Buffalo Movers' many moving options. The new site also is also mobile friendly and includes tap-to-call buttons that immediately connects customers to a phone call with Best Buffalo Movers.

"We couldn't be more pleased with our new website," said Best Buffalo Movers CEO, Richard Johnson. "It will help us better serve customers and showcase our wide range of moving services. We're really excited about what type of impact this can have on our business."

Along with the new website launch, Best Buffalo Movers also bolstered its online presence with the addition of social media accounts on Facebook, YouTube, Google+ and Twitter.

Best Buffalo Movers is a trusted and affordable local moving and storage company. In addition to local moves, Best Buffalo Movers has a wide network of moving connections around the country and world that allow it to deliver dependable long-distance moving services, as well.

While Best Buffalo Movers is most known for its full-service home moving options, the Buffalo, NY, company also provides moving, packing, loading, and delivery services for apartments, corporate offices, small businesses, and more. Additionally, Best Buffalo Movers loads, unloads and delivers large items, including pianos, pool tables, furniture, bedroom sets, and household appliances.

Best Buffalo Movers offers temporary and long-term storage for items big and small around the USA. Its storage facilities are heated, secure, and protected from smoke and fire.

Best Buffalo Movers delivers free moving estimates by calling 716-391-3582 or by filling out the interest form on the redesigned website.

Best Buffalo Movers' website redesign was led by Vincent Web Services.
