Envision Healthcare, Teamhealth and Mednax are some of the key players operating in the US anesthesiology service market, whose company profiling has been done in the report. In this segment of the report, business overview, financial overview and business strategies of the companies are provided.

Company Coverage of Anesthesiology Service Market: Envision Healthcare, Mednax & Teamhealth

Anesthesiology market is composed of two main elements which are anesthesia (drugs for medicinal purpose) and anesthesiologist (professional who are trained to use anesthesia). There are many equipments specifically designed for different surgical procedures like Anesthetic Vaporizer is used for vaporizing anesthetic; nasal oxygen set for delivering oxygen etc.

The US anesthesiology market is expected to increase at high growth rates during the forecasted period (2017-2021). The US anesthesiology market is supported by various growth drivers, such as growing geriatric population, increase in monitored anesthesia use, increasing chronic diseases and volume of surgeries etc. Yet, the market faces certain challenges, such as, side effects of anesthesia, high price of anesthesia equipment, etc. Few new market trends are also provided such as, increasing mid-level anesthesia provider, increasing anesthesiologist employment, technological enhancement of anesthesia devices, etc.

Key Topics Covered:
1. Executive Summary
2. Introduction
3. Market Analysis
4. Market Dynamics
5. Competitive Landscape
6. Company Profiling
