

Leadership Call, LLC hires Dr. Dan Green, Industrial & Organizational Psychologist as Master Trainer in Emotional Intelligence

Dr. Green is a best-selling author who has delivered keynote speeches, talent management workshops, emotional intelligence and personality assessment presentations, leadership development, and team performance accelerations in over 9 countries

April 24, 2017 (FPRC) -- Leadership Call, LLC, a Veteran owned company and leading North American provider of Emotional Intelligence (EI) EQ-i 2.0 & EQ 360 Certification, Training, and EI assessment services has hired Dr. Dan Green as a Master Trainer in EQ-I 2.0 & EQ 360.

Dr. Green is an Executive Coach, I/O Psychologist, and Change Manager, who has spent the last 15 years helping companies develop leaders, maximize team performance, and lead complex change. He holds a PhD in I/O Psychology and an MBA in Finance, and certifications include Lean Six Sigma Master Black Belt, ITILv3 Expert, Balanced Scorecard, Project Management Professional (PMP), Hogan Assessments, Pearman Personality Integrator, and EQ-I 2.0 & EQ 360. He is also a published Author with an Amazon Best Seller on the subject of Emotional Intelligence and Organizational Behavior.

“We have known Dan for several years first working with him as a client and then in a joint effort around emotional intelligence services. His expertise in emotional intelligence is as equally impressive as his approachable and authentic style. We are excited to partner with Dan for continued growth of emotional intelligence programs on a global basis.” - Ed & Chris Hennessy, Leadership Call

The Leadership Call, LLC EQ-i 2.0 & EQ 360 Certification program is comprehensive program consisting of eLearning modules and a two day, highly interactive workshop conducted either in Dallas, the client's location, or via web based training. The course equips the participant with the expert level knowledge to use the EQ-i 2.0/EQ-360 within their organization, company, or practice. Leadership Call, LLC is recognized as a leading North American provider of this certification service.

Additional services provided by Leadership Call, LLC include emotional intelligence workshops in person or virtual or customized EI program based on client specific needs. The workshops are also available with a focus on emotionally intelligent leadership. Additional services include EI based webinars, EQ 360 assessment, Speaking Engagements, and Executive Leader EI Development and Coaching.
