

## **Mentalist Ehud Segev Performs in Broadway, New York**

*Mentalist Ehud Segev has recorded his latest performance in New York City*

May 27, 2017 (FPRC) -- Ehud Segev has this week recorded his latest performance at the rooftop of 433 Broadway in New York City. Known as the Mentalizer, and more recently as the 'King of Mentalism', Mr. Segev entertained a significant group of exclusive guests at a spectacular rooftop in one of the most iconic cities in the world. In an event befitting a scene from a 'Now You See Me' movie, Ehud Segev exhibited his best self, with a mind-boggling performance that bordered on magic and illusionism.

Ehud Segev was born in the Israeli city of Safed back in 1979. From an early age, he spent a lot of time reading books on mentalism, mind reading, body language, mysticism and other cryptic subjects. In fact, the young boy spent so much time reading these otherwise complicated texts that the local librarian had him get a written permission from his mother, who was very supportive. Ehud Segev started appearing in public when he was a teenager. At one time, he correctly predicted the eventual winner of a mayoral election by just looking at photos of the contestant. By the time he was in his 20s, Mr. Segev was already traveling the world, entertaining guests, and attendants in high profile parties and corporate events. To date, the Mentalizer has traveled to dozens of major cities in all the continents of the world.

Ehud Segev at one time was featured in 'the phenomenon', NBC's hit show, among other popular mentalists. He was also awarded the EB-1 classification by the U.S. Department of Homeland Security for his work entertaining U.S. troop members around the world. The EB-1 classification is only awarded to individuals who've managed to scale the heights and emerge the top of their fields.

Mr. Segev has so far published 2 books, all of which are bestsellers on Amazon.com. The first one, titled, "Secrets of the Voice" is a book on reading people and learning to influence them. The other book, titled the '9 Steps to Influence', educates readers on how to tap into the power of mentalism in 9 easy steps. Both books are available to users via Amazon.com, as well as through Ehud's official website – Mentalizer.com.

Mr. Segev has so far performed in dozens of events this year. He has traveled to Ghana in Africa, New Delhi in India, and many other cities across the globe. Hannah Tiram, who's the brand manager in charge at Mentalizer.com, has said that after the New York Broadway event, Mr. Segev is scheduled to perform in at least 4 other events in the U.S. this year.
