

Mentalist Ehud Segev Performs in St. Moritz Switzerland

Ehud Segev recorded his most recent performance at the Palace Hotel, Switzerland

July 13, 2017 (FPRC) -- Ehud Segev, the world renowned Israeli mentalist, recorded his most recent entertainment performance yet at the magnificent Palace Hotel in St. Moritz, Switzerland. The event was set outdoors in one of the most breathtaking hotels in Switzerland. In addition to Ehud Segev, a team of upcoming Bollywood stars also entertained guests at the same event.

Ehud Segev is an Israeli mentalist who's also known as the "Mental Analyzer", aka 'Mentalizer". Ehud was born in the Israeli city of Safed back in 1979. While growing up as a young boy, Ehud spent a lot of his time reading books on mind reading, body language, mysticism and other cryptic subjects. At one time, the local librarian was so awed by the young boy's reading patterns that he required him to have a written permission from his mother. As a teenager, Ehud Segev was already a national sensation. He at one time predicted the correct winner in a mayor's election from a total of 12 candidates. Mr. Segev has since then appeared on numerous Israeli and international TV shows. He also has traveled to almost every major city, entertaining special guests and sometimes even educating corporate employees on important workplace skills such as body language and communication.

Ehud was featured by BestMentalist.com as one of the top three mentalists around the world today. He is also the bestselling author of two books, 9 Steps to Influence and Secrets of the Voice. Secrets of the Voice is an elaborate text that teaches people how they can make sense of communication and decode other's personality traits by paying attention to the variations of the voice. It also teaches public speakers how they can be more effective in delivering their message. On the other hand, 9 Steps to Influence is a useful book that introduces people to the fundamental concepts of mentalism.

The Palace Hotel event was highly rated by attendees, with some of the guests describing it as the best show of their life. Ehud Segev is known to perform some of the most memorable magic tricks. Among other things, he can send credit cards flying, and even bend spoons with his mind. Ehud is a mind reading and body language expert of global proportions.

Hannah Tiram, a spokeswoman at Ehud's Mentalizer Education, said, "Earlier this month, Mentalist Ehud Segev recorded his latest performance so far this year in St. Moritz, Switzerland, at the magnificent Palace Hotel. Mr. Ehud teamed up with other entertainers to keep guests thrilled throughout the outdoor event. Over the next few months, the Mentalizer is booked for a couple of high profile events in Europe and the Americas. Stay tuned to Mentalizer.com for more..."
