

Mentalist Ehud Segev Performs in Switzerland

Mentalist Ehud Segev recorded his latest professional performance in St. Moritz, Switzerland

July 14, 2017 (FPRC) -- Ehud Segev, the world-celebrated Israeli mentalist, earlier this month recorded a performance at the 5-star Badrutt's Palace Hotel in St. Moritz, Switzerland. The event brought together esteemed guests, as well as a team of other entertainers from India, who thrilled guests in an outdoor setting against the backdrop of St. Moritz Lake and the Alps in the background. The event was a major success, with majority of the attendees giving excited reviews about it. This is the latest in a string of high-profile events that the Israeli mentalist has spearheaded so far, this year.

The Palace Hotel in St. Moritz is one of the most popular five-star hotels in Switzerland. It's staged on a palatial 1896 lakeshore property, with a magnificent tower, and is located just 6 minutes' walk away from the St. Moritz train station (Cable Car Station). The hotel has won various service awards in the hotel industry, and offers an exciting opportunity for guests who are looking to enjoy the best of Swiss hospitality, while at the same time taking in great views of the surrounding lake, and the Swiss Alps.

Ehud Segev is also known as the 'Mentalizer', which is a media-crafted name derived from his "Mental Analyzer" tag. Ehud Segev was born in the Israeli City of Safed back in 1979. He developed an interest in mind reading, body language, expert communication, mysticism and other cryptic subjects while he was still a young boy. While most of his friends spent time playing outdoors, Ehud would bury himself into books at the local library, trying to understand subjects' others would consider a professor's turf. By the time he was a teenager, Mr. Segev was already a national sensation on Israeli TV. He at one time correctly predicted the winner of a mayor's election by examining the face photos of 12 candidates. Since then Ehud Segev has traveled the world and entertained guests on almost every major city. He has also been featured on major TV shows. At one time, he appeared among other top contestants on NBC's hit show, 'Phenomenon'.

Most of Ehud Segev's fanatics refer to his abilities as magic, but Mr. Segev has pointed out that he only taps into the innate powers of the human mind. To share mentalism-related knowledge with his audience, Ehud has released two books: 9 Steps to Influence and Secrets of the Voice. Both of these books are perennial bestsellers on Amazon Kindle and other online bookstores.

Hannah Tiram, the spokeswoman at Ehud's Mentalizer Education, said, "Mr. Segev last week delivered his most recent performance this year at the prestigious Palace Hotel in St. Moritz, Switzerland. This was a high-profile event that was also attended by burgeoning Bollywood stars. In the coming weeks, we have more Mentalizer performances scheduled in Europe and the US. Stay tuned to Mentalizer Education for more..."
