

BestMentalist.com Ranks Ehud Segev Among the World's Best Mentalists

Ehud Segev has been ranked as one of the leading mentalists in the world

September 29, 2017 (FPRC) -- Bestmentalist.com has ranked Ehud Segev among the top three mentalists in the world today. In their latest 2017 ranking released earlier this month, bestmentalist.com highlighted a total of 7 mentalists who it said had attained pinnacle success in the industry. The organization describes itself as an independent assessor of talent in the mentalism field. It's been around for three years now and prides itself on helping event organizers and party planners identify the best entertainer to recruit in order to electrify their occasions.

In this year's ranking, Best Mentalist announced that Derren Brown was the number one mentalist today. Mr. Brown is a popular name in TV circles. He has debunked the paranormal, stunned audiences, and almost accomplished the impossible in the field of mentalism. Derren's first show, appearing in 2000, was titled 'Mind Control' and delved on tricks of the mind.

On position 2 was David Blaine. Mr. Blaine was born and raised in New York's Brooklyn region. Blaine's pioneering television work centered on street magic, and first aired on May 19th of 1997. Blaine has today traversed the world and electrified guests on almost every major city. He has also, on numerous occasions, been spotted on the streets of New York City, Dallas, Atlantic City, and San Francisco, where he has thrilled unsuspecting pedestrians.

Ehud Segev appeared at position 3 in this year's ranking of the best mentalists. Mr. Segev is known to be one of the most traveled mentalists in the world. Born in the Israeli city of Safed back in 1979, Ehud Segev started learning mentalism at an early age. When he was still a boy, Mr. Segev spent most of his time at the local library, reading books on mind-reading, mysticism, body language, and other cryptic subjects. By the time he was a teenager, Mr. Segev was already a national sensation. At one time, he correctly predicted the winner in a mayor's election by simply studying the face photos of the 12 contestants. Today, Ehud Segev travels the world and educates corporate employees on important skills such as body language and effective communication. He also learns an educational platform for his fans at [mentalizer.com](http://www.mentalizer.com/).

Other mentalists who made it to this year's list of best mentalists are Marc Salem, The Amazin Kreskin, Uri Geller, and Marc Helfand in that order. BestMentalist.com has said that it'll launch its next ranking sometimes next year. It'll be interesting to see whether there will be any new faces on the list.
