

Construction & Design Inc. will serve as 2019 Corporate Sponsor for John Palmer Art

A hallmark of Palmer's career success has been mutually beneficial partnerships with local businesses and nonprofits. Palmer is proud to announce his latest business alliance, a 2019 corporate sponsorship by Construction & Design Inc.

March 18, 2019 (FPRC) -- Construction & Design Inc., a full-service residential and commercial construction company of Houston, Texas, has partnered with Artist John Ross Palmer to become his Heights Art Gallery's Corporate Sponsor for 2019. The mutually beneficial relationship is a historic repeat of the partnership first forged in 2016. For Palmer, having his gallery regain sponsorship support from a company that delivers state-of-the-art construction services adds tremendous clout to his flourishing career.

"I have known John Palmer personally for over 30 years. I was honored to serve as the Builder for his 2008 Art Gallery construction and The Chrysalis addition in 2014," says Owner, Terri Robinson. "Our sponsorship of his business in 2016 was a massive success. We gained new clients, leveraged high visibility and took great pleasure in watching his career explode as an artist and accomplished mentor. 2019, the year after his 20th Anniversary Artist celebration, is the perfect time to realign with John and his booming business." Palmer explains, "I never expected my friendship with Terri to expand into a successful professional partnership...but thank goodness it did. Her company's construction of my Art Gallery and The Chrysalis made it one of the most unique and exquisite art complexes in the United States. I cannot wait to promote her business and innovative skill set in 2019."

Construction & Design Inc. was established in 2005. At the encouragement of customers and subcontractors, the community needed a company to streamline and coordinate all facets of the construction process. With CDI, Inc., you have one contact. Terri and her team personally oversee all subcontractors to guarantee quality and efficiency. Just like Palmer, Terri Robinson's business is driven by top-notch customer service. Robinson, a native Houstonian just like Palmer, is also inspired by the Artist's 2019 Charity of the Year, "It's extremely fitting to sponsor John Palmer Art during this year when he's supporting Trees of Hope and their efforts to improve the lives of Houstonians that are homeless. My business is also working tirelessly to build a better community." For more information, visit CDInctx.com or call 281-766-7722.
