United Games, a company that has developed a proprietary live event predictive analysis engine and associated real-time sports entertainment technologies, will celebrate the launch of the Fire Fan Mobile Games App, by giving free downloads away to sports fans worldwide! The New App "Fire Fan" Will Revolutionize The Way To Watch Sports! It's reported the event will take place on Tuesday, December 6th.

In a space where most competitors would try to give this magnificent product at a steep inaugural discount and fail to cause much of a stir, United Games has opted to be a little more Surprising with it's Fire Fan Mobile Games App launch.

The New App "Fire Fan" Will Revolutionize The Way To Watch Sports! Natalyn Lewis, Vice president of marketing and co-founder of United Games , says: "One area where the company are going to shine, and in a big way, is in the design, look and feel of the app." Fire Fan is a games app designed to enhance the player's enjoyment and interaction with sporting events in a live, social manner. To maximize the company's reach, United Games is counting on the Affiliates to build anticipation through sharing, creating exciting distribution channels that will make this amazing app the most downloaded, in the shortest time frame in history! Once the app releases, it is all about players. We want the focus to be on players. It should go great unless the whole internet crashes down on launch day!

United Games has always thrived on the idea of standing out and making a commotion. It's all part of the fun and United Games is building a game that the everyday sports fan is going to love. Fire Fan is not a "stats" experience but a "game" experience. This launch celebration is just one of the many ways United Games achieves that goal.

When asked about Fire Fan Mobile Games App, John Selden said: "We think it's going to be a real hit because It's about being a fan and playing along with your team, your friends, and your favorite players, while at the same time opening up the world to come together on common ground around a passion for live, interactive sporting events."

Fire Fan Mobile Games App is set to launch Tuesday, December 6th. To find out more, visit <https://www.firefan.com/?code=myteamisbest>
